

# My Dashboard

Your personal Enboarder Dashboard is your one stop shop to get the most out of your journeys!

Thanks to its new look and functionality, completing your activities is now simpler than ever.

## ⚡ Easily access your dashboard

Bookmark your *Centralized Enboarder Login page* or simply tap the profile picture in the top left to get started!

## ⚡ Effortlessly stay on top

View your journeys at a glance on your *Activities page* and manage and complete your tasks on the fly.

## ⚡ Track your team's progress

Gain a holistic view of your team's progress via the *Team page*. Filter activities by team member and journey or forward and resend tasks.
